

Seminar 3 of 3: Navigating Security Issues in GA Today!

Three WINGS seminars are offered that will keep your head in the game. Seminar registration begins at 0930. Seminar 3 begins at 2:00 PM. Are aviation security rules making your head spin? Learn how to avoid the common mistakes pilots make when flying near restricted airspace. What is your response to the gun-toting wingman you just acquired when they point to a new destination airport you hadn't planned on? You should have a good idea what they are telling you and how to appropriately respond.

Directions: Follow College Parkway to the Aviation Department Building 3000.
